en52
shelf with drain slots and integrated soap dish – 37cm

By combining the square geometric form with the gentleness of curved corners, Eneo has perfectly captured today's design trend. That trend is contemporary luxury. Contemporary, through the use of straight lines, luxury through generous proportions and softened edges.

en10
glass shelf – 50mm

Eneo accessories are crafted from solid brass, ensuring their beauty is enhanced by strength, quality and longevity. The strong point of this range is the attention to detail of every accessory. Sophisticated polishing equipment ensures perfectly flat surfaces, while the generous chrome plating gives a high quality deep mirror finish.

Thus, with this level of quality, Eneo is backed by a 10 year warranty against manufacturing defects for peace of mind.
