

## **Ceramic Utility Basin/Laundry Trough SBC-620**

# Ceramic Utility Basin/Laundry Trough

## 620x550

**SBC-620**

A large classic white vitreous china basin designed for use in laundries. The basin is equally at home in a modern or contemporary setting.

Generous 45 litre bowl also incorporates a recessed soap deck to keep soap and other accessories below the benchtop level.

This unit is suitable for general purpose domestic applications.

**Part no:** SBC-620

**Tap holes:** 1 taphole

**Waste outlet:** 90mm waste hole accommodates supplied designer basket waste.

**Bowl capacity:** 45 litres.

**Bypass/Overflow:** Washing machine bypass hose may be connected to nipple of PVC waste outlet underbench (not included). No overflow.

**Fixing:** Use of acetic cured silicone sealant is recommended to fix basin to the benchtop. **Epoxy type adhesives must not be used. Waste must be fitted with silicone sealant to ensure watertight fit between basin and waste.**

**Cleaning:** Do not use any abrasive cleaners, liquids or pastes. Clean with damp cloth.

**Colours:** White.

**Material:** Vitreous china.

**Dimensions:** All dimensions in millimetres are nominal and subject to normal ceramic manufacturing variation of  $\pm 2-5$ mm. Specifications may vary without notice as part of our continuous improvement policy.
