

Rainware

OUTDOOR SHOWERS

responsible luxury

www.rainware.com.au

the latest trend in outdoor living

Rainware Outdoor Showers have an environmental conscience when it comes to water efficiency, with a range of outdoor showers to save you water.

With an emphasis on quality, and built to withstand the harsh Australian conditions, Rainware products are designed and manufactured on Queensland's Sunshine Coast & are available world-wide.

Aussie Premium

Aussie Wall

Suncoast Wall

Suncoast Wall - Mixer

special features

- graceful curved design
- ultimate option of hot water
- Australia's largest range of designs & water options

style & simplicity

- clean, architectural appearance
- practical & convenient
- eliminates 'water trail' to your indoor shower
- easy installation, no assembly required

landscaping & design

- integrates into any poolscape
- adds interesting dimension to your outdoor space

durability & function

- made from 316 marine grade, 3mm structural stainless steel tubing
- 10 yr warranty on stainless steel products
- runs effectively from a water tank with pressure pump
- comfortable spray pattern for your enjoyment
- easy maintenance

extensive range includes:

- free-standing
- wall mounted
- 316 stainless steel
- powdercoated aluminium
- 316 S/S hot & cold mixer
- marine grade 316 S/S tapware & footwash

Rinsing off after a swim, workout or even the mowing, with the ultimate function of hot water, makes an outdoor shower a desirable addition to your outdoor activities. And with our many design & water options, it's easy to tailor an outdoor shower to suit your poolscape, jetty or your budget; or adapted to fit an established space. Whether integrated into a design or simply installed for it's function, your Rainware Outdoor Shower will add value & enjoyment for many years to come.
