## **Sculptural Round 430**

**Ceramic Inset Vanity Basin** 

Nominal Size: 430mm diameter

## **Ceramic Inset Vanity Basin (with tap landing)**

Basin Size: 430mm diameter

## Sculptural Round 430

Tapware shown not included.

The Sculptural basin range represents freshness and simplicity of nordic style design. Influenced by global trends in thinner rim design, the wide variety of shapes and sizes is sure to appeal to the style conscious seeking luxury design. The basin is suitable for general purpose, domestic and commercial applications.

**Tap Holes:** Basin available in: One taphole Code No.877315.

Waste Outlet: The basin has been designed for the Caroma waste outlet suitable for a 40mm

trap connection. Chrome flush fitting waste and white plug supplied. Alternative waste options are available — Plug & anti-vandal flush fitting chrome waste Code No.687141C; Plug & chrome grate waste Code No.687328C; Chrome pop-up

plug and waste Code No.687329C.

**Bowl Capacity:** 2.7 litres to overflow.

**Overflow:** Overflow available only. Designed for maximum tap flow rate of 15 litres/minute.

**Fixing:** The underside of the basin rim must be sealed to the counter top with an acetic

cured silicone sealant. **Epoxy type glues must not be used.**The basin is supplied with a template which must be used for the counter top

cut-out.

Colours: White only.

**Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing

variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications

without notice.
